The probable risk factors pertaining to the Open Offer or pertaining to association with the Acquirer, the PAC or the Target Company are set forth below but these are only indicative. The risk factors set forth below do not relate to the present or future business or operations of the Target Company and any other related matters. The Public Shareholders are advised to consult their stock brokers, tax advisors, legal advisors or investment consultants, if any, for analyzing all the risks with respect to their participation in the Open Offer.

A. RISKS RELATING TO THE OPEN OFFER

1. In the event that: (a) there is any litigation leading to a stay/injunction on the Open Offer or that restricts/restrains the Acquirer or the PAC from performing their obligations hereunder; (b) SEBI instructs the Acquirer or the PAC not to proceed with the Open Offer; (c) a binding order of a court or governmental authority of competent jurisdiction is received directing the withdrawal of the Open Offer; or (d) any other statutory approvals become applicable and are delayed or not received, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer, or the Open Offer may be withdrawn in accordance with the SEBI (SAST) Regulations. If the Open Offer process is delayed beyond the indicated schedule of activities, then the payment of consideration to the Public Shareholders whose Offer Shares are accepted under the Open Offer, as well as the return of the Offer Shares not accepted under the Open Offer, by the Acquirer or the PAC may also get delayed.
2. Other than as disclosed in this Letter of Offer, to the best of knowledge and belief of the Acquirer and the PAC, as of the date of this Letter of Offer, the relevant statutory approvals required for the Acquirer's investment in the Target Company and the Open Offer, have been obtained as indicated at paragraph 6.11.1. However, in case an unforeseen requirement for any other statutory approval arises before the closure of the Tendering Period, this Open Offer shall be subject to such further approvals and the Acquirer and/ or the PAC shall make the necessary applications for such approvals. In case of any delay beyond 10 (ten) Working Days (as defined under the head of Key Definitions) from the closure of Tendering Period in making the payment to the shareholders who have accepted the Open Offer due to delay in obtaining any statutory approvals, in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the delay in obtaining such approvals was not due to any willful default, failure or neglect on the part of the Acquirer and/or the PAC to diligently pursue such approvals, grant an extension of time for the purpose of completion of the Open Offer subject to the Acquirer agreeing to pay interest at such rate as may be specified by SEBI, to the Public Shareholders who have validly tendered their Offer Shares under the Open Offer. However, where the statutory approvals extend to some but not all Public Shareholders, the Acquirer and/or the PAC have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete the Open Offer.
3. Public Shareholders tendering their Shares in this Open Offer will be doing so prior to receipt of consideration in relation to such tendered Shares as the Acquirer has up to 10 (ten) Working Days from the date of closure of the Tendering Period to pay the consideration to the Public Shareholders whose Shares are accepted in this Open Offer.
4. The tendered Offer Shares and documents submitted therewith would be held in trust by the Registrar to the Open Offer/ Clearing Corporation until the process of acceptance of Offer Shares tendered and payment of consideration to the Public Shareholders is completed. The Offer Shares, once tendered under the Open Offer, cannot be withdrawn, even if the acceptance of the Offer Shares under the Open Offer and dispatch of the consideration is delayed. The Public Shareholders will not be able to trade in such Offer Shares which are in the custody of the Registrar to the Open Offer/ Clearing Corporation. During such period, there may be fluctuations in the market price of the Shares.
5. The Open Offer is an offer to acquire up to 566,740,972 (Five hundred sixty six million seven hundred forty thousand nine hundred seventy two) Shares, representing 26% (Twenty six per cent) of the Emerging Share Capital from the Public Shareholders. In the case of over-subscription of the Open Offer, acceptance will be determined on a proportionate basis (as detailed in paragraph 7.16), and hence, it is not certain that all the Offer Shares tendered by the Public Shareholders in the Open Offer will be accepted.

6. This Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. The recipients of this Letter of Offer resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. The Open Offer is not directed towards any person or entity in any jurisdiction or country where the Open Offer would be contrary to the applicable laws or regulations or would subject the Acquirer, the PAC or the Manager to the Open Offer to any new or additional registration requirements.
7. The Public Shareholders are advised to consult their respective legal and tax advisors for assessing the tax liability pursuant to the Open Offer, or in respect of other aspects, such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the PAC do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.
8. The Acquirer, the PAC and the Manager to the Open Offer do not accept any responsibility for statements made otherwise than in this Letter of Offer or the PA, or the DPS, or the Corrigendum, and anyone placing reliance on any other source of information (not released by the Acquirer, the PAC, or the Manager to the Open Offer) would be doing so at his/her/their own risk. 4. In accordance with Regulation 38 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (**LODR Regulations**) read with Rule 19A of the Securities Contract (Regulation) Rules, 1957, as amended (**SCRR**), the Target Company is required to maintain at least 25% (Twenty five per cent) public shareholding, as determined in accordance with SCRR, on a continuous basis for listing (**Minimum Public Shareholding**). It is not foreseen that, as a result of the purchase of the Offer Shares tendered under the Open Offer, the public shareholding in the Target Company would fall below the Minimum Public Shareholding. However, if as a result of the purchase of the Offer Shares tendered under the Open Offer and the purchase of other Shares, if any, during the Offer Period, the public shareholding in the Target Company falls below the Minimum Public Shareholding, the Acquirer shall reduce its shareholding in the Target Company in the manner as set out in Regulation 7(4) of the SEBI (SAST) Regulations and within the time period specified in the SCRR, such that the Target Company complies with the Minimum Public Shareholding requirement. Hence, for the purposes of computing the Emerging Share Capital above, the 'relevant date' has been assumed to be 25 January 2018 which is the date 30 (thirty) days prior to the date of the aforesaid EGM. Accordingly, the conversion price for the OCPS has been computed as INR 16.28 in accordance with Regulation 76(1) of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended from time to time.

As set out above, the Emerging Share Capital has been computed on a fully diluted basis as on, and assuming full conversion of all outstanding convertible preference shares into Shares by, the 10th (tenth) Working Day from the closure of the Tendering Period of the Open Offer. Accordingly, the Emerging Share Capital is INR 2,179,772,966 (Indian Rupees Two billion one hundred seventy nine million seven hundred seventy two thousand nine hundred sixty six) consisting of 2,179,772,966 (Two billion one hundred seventy nine million seven hundred seventy two thousand nine hundred sixty six) Shares.

7.19. COMPLIANCE WITH TAX REQUIREMENTS

7.19.1. Taxability of Capital Gain in the hands of the Public Shareholder

- (a) As per the current provisions of the Income Tax Act, 1961 (**Income Tax Act**) unless

specifically exempted, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India either as capital gains under Section 45 of the Income Tax Act or as business profits, depending on the facts and circumstances of the case. Further, Section 2(14) of the Income Tax Act has provided for deemed characterization to securities held by FPIs as capital assets and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains.

- (b) **Pending Tax Legislation:** On 1 February 2018, the Government of India presented the Finance Bill, 2018 (**Finance Bill**) before the lower house of the Indian Parliament. The Finance Bill proposes the imposition of an income tax on long-term capital gains on the sale or transfer of equity shares that are listed on a recognized stock exchange, which have been held for more than one year and have been subject to securities transaction tax (**STT**) upon acquisition and sale. Gains of this nature were, in the past, exempt from capital gains taxation. The proposed amendment provides that this tax of 10% (ten per cent) (exclusive of any tax surcharge and cess that would be applied) would be payable only if the capital gains exceed INR 100,000 (Indian Rupees one hundred thousand) in the financial year. Gains that arise on shares purchased prior to 1 February 2018 shall be grandfathered for the notional gains earned on such shares till 31 January 2018. For computing capital gains under the grandfathered regime, the cost of acquisition of the asset will be the higher of (i) actual purchase price; and (ii) lower of (A) highest price of the equity share on the stock exchange as on 31 January 2018; and (B) sale consideration for the shares.

Accordingly, if Public Shareholders earn capital gains in excess of INR 100,000 (Indian Rupees one hundred thousand) in the fiscal year (01 April to 31 March), tax would be payable. Unless voted down, the proposal would become effective on sale of equity shares made on or after 1 April 2018. In addition, the Finance Bill proposes to enhance the cess payable on tax and surcharge from 3% (three per cent) to 4% (four per cent) of the tax and surcharge amount.

- (c) Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less, which are sold, will be subject to short term capital gains tax and STT.
- (d) Taxability of capital gain arising to a non-resident in India from the sale of equity shares shall be determined basis the provisions of the Income Tax Act or the Double Taxation Avoidance Agreement entered between India and the country of which the non-resident seller is resident, subject to satisfaction of certain prescribed conditions.

7.19.2. Business Income

- (a) Under current Indian tax laws and regulations, income arising from the sale of equity shares in an Indian company may be taxable in India as income from business, depending on the Public Shareholder.

7.19.3. Tax Deduction at Source

- (a) Resident Public Shareholders:

In absence of any specific provision under the IT Act, the Acquirer and the PAC are not required to deduct tax on the consideration payable to the Public Shareholders pursuant to tendering of the Shares under the Open Offer.

- (b) Non-Resident Shareholders:

- (i) In case of FPIs:

Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FPIs. Thus, no withholding of tax is required in case of consideration payable to FPIs.

- (ii) In case of non-resident Public Shareholder (other than FPIs):

Section 195(1) of the IT Act provides that any person responsible for paying to a nonresident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and cess) shall be deducted at appropriate rates as per the IT Act. In doing this, the Acquirer and the PAC will be guided by generally followed practices and make use of data available in the records of the Registrar to the Open Offer except in cases where the non-resident Public Shareholders provide a specific mandate in this regard.

- (c) In accordance with the Frequently Asked Questions (FAQs) regarding taxation of long-term capital gains proposed in the Finance Bill, ordinarily, under Section 195 of the IT Act, tax is required to be deducted on payments made to non-residents, at the rates prescribed in Part-II of the First Schedule to the Finance Act. In terms of the said provisions, tax at the rate of 10% (Ten percent) will be deducted from payment of long-term capital gains to a non-resident tax payer (other than an FPI). The capital gains will be required to be computed in accordance with Clause 31 of the Finance Bill.
- (d) Since the tendering of the Shares under the Open Offer is through recognized stock exchanges in India, the responsibility of discharge of the tax due on the gains (if any) is primarily on the tendering non-resident Public Shareholder given that practically it is very difficult to withhold taxes. It is therefore important for the non-resident Public Shareholders to suitably compute such gains (if any) on their transactions and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate.
- (e) Rate of Surcharge and Cess:

In accordance with the current provisions of the IT Act, in addition to the basic tax rate, surcharge, education cess and secondary and higher education cess are leviable. Further, under the provisions in the Finance Bill, in addition to the basic tax rate, surcharge, health and education cess are leviable.

THE ABOVE DISCLOSURE ON TAXATION SETS OUT THE PROVISIONS OF LAW IN A SUMMARY MANNER ONLY AND IS NOT A COMPLETE ANALYSIS OR LISTING OF ALL POTENTIAL TAX CONSEQUENCES OF THE DISPOSAL OF THE SHARES. THIS DISCLOSURE IS NEITHER BINDING ON ANY REGULATORS NOR CAN THERE BE ANY ASSURANCE THAT THEY WILL NOT TAKE A POSITION CONTRARY TO THE COMMENTS MENTIONED HEREIN. HENCE, THE PUBLIC SHAREHOLDERS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS FOR THE TAX PROVISIONS APPLICABLE TO THEIR PARTICULAR CIRCUMSTANCES.

7.19.4. THE TAX RATE AND OTHER PROVISIONS MAY UNDERGO CHANGES

7.19.5. Others

- (a) Notwithstanding the details provided above, all payments will be made to Public Shareholders subject to compliance with prevailing tax laws.
- (b) The tax deducted by the Acquirer and / or the PAC while making payment to a Public Shareholder may not be the final tax liability of such Public Shareholder and shall in no way discharge the obligation of the Public Shareholder to appropriately disclose the amounts received by it, pursuant to this Open Offer, before the income tax authorities.
- (c) The Acquirer and / or the PAC and the Manager to the Open Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth herein above.

PUBLIC SHAREHOLDERS ARE ADVISED TO CONSULT THEIR TAX ADVISORS FOR TAX TREATMENT ARISING OUT OF THE PROPOSED OFFER THROUGH TENDER OFFER AND APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE. THE ACQUIRER OR THE PAC DO NOT ACCEPT NOR HOLD ANY RESPONSIBILITY FOR

ANY TAX LIABILITY ARISING TO ANY PUBLIC SHAREHOLDER AS A REASON OF THIS OFFER.
